

Jess Branch

70

Tae Kwon Do Black Belt Aged 11

Jess started learning Tae Kwon Do in 2018 and has recently graded to achieve her 1st Degree Black Belt, one of the youngest ever to do so at her club. During her journey to become a black belt, Jess has competed at local, national and world championship competitions, winning a Gold medal for Team Patterns at the English National Championships 2018. This was followed by a Gold Medal for Team Patterns and a Bronze medal for Individual Sparring at the Welsh Open Championships in Cardiff 2019. Jess is looking forward to the re-introduction of competitions following the Pandemic in 2022.

Although one of the younger members of the club, Jess always finds time to help teach the lower grades within the class and loves helping the younger children who are just starting. She is an inspiration to juniors beginning their journey.
