Training session with International Rugby Fly Half - Elton Jantjies

Oscar is passionate about rugby and recently entered a competition run by LooseHeadz to win a chance to have a kicking training session with Elton Jantjies, the South African International Fly Half. Oscar had to write a letter explaining why he deserved this once in a lifetime opportunity.

Oscar won this competition and, along with only five other children from across England, got the opportunity to train at Cardiff Arms Park with Elton Jantjies as well as Scrum half Herschel Jantjies. The training session was

also attended by South African deputy coach Mzwandile Stick.

The session took place on 2nd November 2021, ahead of South Africa's Autumn series match against Wales.
